

JOHN GARCIA

ASSOCIATE PROFESSOR OF FINANCE & ANALYTICS

(310) 435-4152 • jgarcia@calluthern.edu • [LinkedIn](#) • [Personal Website](#) • [ORCID 0000-0002-7062-0032](#)

Profile

Associate Professor of Finance & Analytics and former Toyota Corporate Finance Executive with a unique blend of high-level industry strategy and academic rigor. CPA and Certified Analytics Professional (CAP) with a track record of publishing in top-tier journals. Expert in bridging the gap between theoretical finance and applied machine learning, consistently achieving high teaching evaluations by bringing real-world executive insights into the classroom.

Education & Credentials

- **D.B.A., Business Administration – Finance & Analytics**
CREIGHTON UNIVERSITY, 2020
Dissertation: *Measuring The Effect of Investor Sentiment on Liquidity and Financial Distress*
- **Master of Science in Predictive Analytics**
NORTHWESTERN UNIVERSITY, 2017
- **Master of Science in Accountancy**
UNIVERSITY OF NOTRE DAME, 2000
- **B.S. Business Administration, Magna Cum Laude**
CALIFORNIA POLYTECHNIC STATE UNIVERSITY, SLO, 1999

Certifications & Executive Education

- **Certified Analytics Professional** (CAP, Lic#1509)
- **Certified Public Accountant** (CPA, CA Lic#81753, Inactive)
- **Associate in Captive Insurance** (ACI, Lic#291)
- **UNIVERSITY OF MICHIGAN**, Toyota Next Gen Executive Leadership Program, 2018

Academic Appointments

CALIFORNIA LUTHERAN UNIVERSITY • SCHOOL OF MANAGEMENT • THOUSAND OAKS, CA

ASSOCIATE PROFESSOR: AUGUST 2026 – PRESENT | ASSISTANT PROFESSOR: AUGUST 2021 – JULY 2026

- Develop and teach undergraduate and graduate finance, analytics, and data science courses
- Conduct innovative research at the intersection of finance, machine learning, and data analytics, resulting in multiple peer-reviewed publications and presentations at top-tier conferences
- Developed 10 new courses: Business Analytics I & II, Machine Learning 1, Machine Learning in Practice, Introduction to Business, Generative AI Literacy, Personal Finance & Investing in the Digital Age (undergrad.) | Foundations of Analytics, Advanced Analytics, Innovations in FinTech (graduate)

Leadership & Service

- Developed Teaching with AI faculty training (www.teachingwithai.app, June 2026)
- Developed Faculty Mentor Training Program adopted by the School of Management (March 2026) and the College of Arts and Sciences (August 2026)
- Chair, Undergraduate Curriculum Committee (2025 – Present)
- Selected for the CLU Emerging Leaders Program (2024 – 2025).

- Faculty AI Task Force (May 2025 – May 2026), charged with developing university-wide policies on the ethical and responsible use of AI in teaching, advising, tutoring, and academic integrity.
- Faculty Chair for the Title V HSI Project VITAL faculty learning circle (2023–2025), advancing student mentoring.
- Faculty Senator (2022 – 2024), advising on academic policy and governance.
- 2022 – 2023 Project Collaborative for Hispanics in Higher Education & Student Success (CHESS) Participant
- Faculty Chair for Project CHESS 2023 – 2024, guiding faculty development and culturally responsive pedagogy
- Co-developed a new undergraduate bachelor's degree in data science (launched in 2024), developing a comprehensive curriculum and two advanced machine learning courses aligned with industry standards.

Teaching Accomplishments

- Track Record: Taught 48 courses since Fall 2021 and achieved a mean rating of 4.7 and a median rating of 5.0 out of 5.0.
- Innovation: Created and deployed AI tutors accessed 1,000+ times monthly by students.
- Graduate (MBA/MS) Courses: Advanced Analytics (ECON 562), Strategic Decision Making (EMBA 502), Foundations of Analytics (MBA 526), Strategic Financial Analysis (MBA 541), Corporate Finance (MBA 521), Innovations in FinTech (MBA 5STI), Foundations of Business Statistics (MBA 503).
- Undergraduate Courses: Business Analytics I & II (BUS 256/356), Principles of Finance (BUS 391), Introduction to Business (BUS 151), Generative AI Literacy.

UNIVERSITY OF NORTH TEXAS • TOULOUSE GRADUATE SCHOOL • DENTON, TX

CLINICAL ASSISTANT PROFESSOR • JAN. 2020 – AUG. 2021

- Taught and developed curriculum for M.S. in Advanced Data Analytics and Data Analytics Certificate programs, achieving high student satisfaction in in-person and online modalities.
- Researched machine learning, finance, and data analytics.
- Supervised master's and Ph.D. student research projects, fostering emerging scholars in data analytics.
- Developed a guided project course on Coursera entitled "Predicting Credit Card Fraud with R."

Research & Teaching Interests

Research Interests

Applications of Advanced Analytics in Business • Behavioral Finance • Generative AI & Finance • Machine Learning and Artificial Intelligence • Sentiment Analysis

Teaching Interests

Corporate Finance & FinTech • Business Analytics & Business Intelligence • Data Analytics, Data Mining & Decision Science • Applied Probability and Statistics

Research: Publications & Presentations

Note: Authors are listed alphabetically in business disciplines, irrespective of their contributions.

University Service

University Leadership & Governance

- **Chair, Undergraduate Curriculum Committee** (2025 – Present). Elected position overseeing academic standards and curriculum updates.
- **Faculty AI Task Force** (2025 – 2026). Charged with developing university-wide policies on the ethical and responsible use of AI in teaching and academic integrity.
- **Faculty Senator** (2022 – 2024). Advised on academic policy and governance.
- **Curriculum Developer, Data Science Major** (2023). Co-developed the framework for a new Bachelor of Science degree, creating a comprehensive curriculum and two advanced machine learning courses.
- **Faculty Co-Chair, Project VITAL & Project CHESS** (2023 – 2026). Leading faculty learning circles to advance inclusive, culturally responsive pedagogy and student mentoring.
- **Committee Member:** Faculty Diversity, Equity, & Inclusion Committee (2022 – 2023); SOM DEIJ Steering Committee (2021 – 2024).

Student Success & Mentorship

- **Faculty Advisor:** LatinX Business Student Association (2023 – Present); Beta Gamma Sigma International Business Honor Society (2023 – Present).
- **Research Mentor:** McNair Scholars Program; Supervised Master's/PhD research projects at UNT.
- **Event Moderator:** Organized and moderated multiple alumni panels, including "Overcoming Barriers & Navigating Success" (2023) and "Managing Yourself Through Change" (2022).

Additional Committee & Advising Service

- Advisory Member, Ethnic Race Studies (Fall 2022 – Present)
- Partner, University Admissions, Personal Postcard Initiative to Drive Enrollment (May 5, 2022)

Community Engagement

- **Board Member & Treasurer, Westminster Free Clinic** (2025 – Present). Chair of the Audit Committee. Apply financial expertise to ensure fiscal sustainability for a clinic serving 15,000+ uninsured patients with \$7M+ in assets and a \$6M+ operating budget.

Industry Experience

Fortitude Research and Marketing Consulting • Westlake Village, CA • August 2022 – Present

Senior Consultant (Contract)

- Provide strategic consulting, specializing in data analytics, advanced statistical modeling, and leveraging big data for predictive modeling, helping clients to make informed business decisions and strategic plans.

TOYOTA NORTH AMERICA • Plano, TX • Apr 2005 – Jan 2020

EXECUTIVE – CORPORATE FINANCE ANALYTICS • 2018 – 2020

- A key corporate finance leadership team member providing comprehensive business and strategic insights to influence high-stakes risk, pricing, and profitability decisions.
- Defined strategic direction of analytics projects and delivered critical and actionable financial insights and business analytics for strategic decision-making.
- Provided C-suite senior executive management with advice on the financial implications of business activities and recommendations to optimize performance.
- Defined and evaluated metrics to track risk, pricing, and profitability for the financial services division.
- Built, led, and developed a diverse team of data scientists, actuaries, and finance directors while working cross-functionally to enhance business outcomes and identify growth opportunities.
- Collaborated with stakeholders to leverage data and analytics to drive faster, optimal business decisions.
- Member of the cross-functional executive credit committee responsible for managing credit policy.

EXECUTIVE – PRICING & ANALYTICS • 2007 – 2018

SR. DIRECTOR, PRICING & ANALYTICS • 2011 – 2016 | MANAGER, PRICING & ANALYTICS • 2007 – 2010

- Delivered expert services, including developing pricing, underwriting, risk management, performance measurement, predictive analytics, financial and capital management strategies, and action plans.
- Worked with stakeholders to formulate pricing and incentive testing plans, measure and analyze A/B testing and multivariate tests and surveys, and develop statistical models.
- Guided and inspired a team of experienced finance, underwriting, actuarial, and analytics professionals.
- Interfaced with senior leadership and cross-organizational management to influence, obtain buy-in on performance optimization strategies, and support the execution of strategic action plans.
- Implemented a strategy to decentralize analytics and execute initiatives enabling enhanced consultative value. Optimized the existing business model and identified new U.S. and global business opportunities.

ASSISTANT CONTROLLER • 2005 – 2007

- Steered execution of financial planning, accounting, financial reporting, and tax optimization strategies.
- Developed asset-liability matching (ALM) strategies leading to more effective duration risk management.
- Chaired a cross-organizational team on the execution of the SOX compliance framework.
- Directed tax projects and compiled financial models that led to a favorable tax adjustment of \$1.7 billion, one of the largest tax adjustments in IRS history.
- Strategically anticipated and implemented numerous tax strategies leading to over \$50M in tax savings.
- Diligently developed a new process to mitigate bad debt expense and reduced bad debt by 90%+.

ERNST & YOUNG LLP • Los Angeles, CA • 1999 – 2005 • Manager

- Adeptly planned, performed, and managed professional services for clients.
- Developed problem-solving and financial analytical skills through drafting and reviewing financial statements. Researched complex SEC & GAAP technical accounting issues.
- Expertly performed analysis of company operations and internal controls while evaluating the effectiveness of current processes and recommending improvements.

Professional Affiliations

- Prospanica: Center for Social Justice – Thought Leadership Committee (2021 – 2024)
- INFORMS: DFW Chapter President (2021)
- Prospanica: DFW Chapter VP Education (2021)
